6. INDUSTRY & COMPANY OUTLOOK:

A. PRODUCTS:

The health insurance sector in India has witnessed strong growth in recent years, driven by regulatory and government initiatives aimed at enhancing accessibility and expanding coverage across age groups and risk segments. FY 2025–26 marked a transformative phase, with accelerated progress toward the vision of inclusive health insurance.

In line with this evolving landscape, ManipalCigna undertook focused strategic initiatives to strengthen its product portfolio by enhancing value, affordability, and customization.

During FY 2025–26, the Company executed three key product revisions.

The flagship product, ManipalCigna Sarvah, was enhanced with multiple customer-centric features.

Few of the key enhancements were:

- Increase in Gullak benefit from 10X to 15X coverage, providing bonus on the Base Sum Insured after each policy year, irrespective of claims, subject to continuous renewal without break.
- Extension of Anant benefit, enabling unlimited Sum Insured for hospitalizations related to Cancer, Heart, Stroke, Major Organ/Bone Marrow Transplant, or Accident.
- Introduction of Anant, Maternity, and Newborn benefits under the Param plan, providing comprehensive coverage

Further, ManipalCigna ProHealth Prime was revised by removing the maximum entry age restriction, enabling lifelong entry and expanding accessibility to the senior segment, aligned with the "Insurance for All" vision.

Additionally, ManipalCigna ProHealth Select underwent a price revision to mitigate the impact of medical inflation and ensure long-term sustainability.

Overall, these initiatives reflect ManipalCigna's continued commitment to delivering innovative, inclusive, and value-driven health insurance solutions, while strengthening its market positioning in a rapidly evolving industry.

B. UNDERWRITING AND OPERATIONS:

Your Company continued to adhere to the underwriting principles of being fair and customer centric by assessing risks on merits, using a scientific approach of underwriting with the help of advanced automated underwriting tools. During the year under review, your Company ensured continuous enhancement of the underwriting tool by building frameworks to identify substandard risk and create rules that ensure a balanced portfolio. Your Company has been abreast with market practices and has been able to keep pace with the same without losing focus on creating a good pool of risk.

The emphasis has also been to simplify processes and achieve cost effectiveness. Your Company has ensured that the risk management and underwriting process is managed with minimal manual intervention and everyday experience becomes easy and reliable. The focus has been to achieve consistency in underwriting decisions in the long term by standardizing risk acceptance criteria.

Efficient governance mechanisms have been put in place including quarterly underwriting audits to ensure effective governance of processes & risk selection mechanisms. During the year under review, your Company effectively monitored the volatility of the portfolio by quarterly reviews to identify risks in advance and built measures to mitigate any erosion of portfolio.

Your Company is also continuously engaging segments of population in various wellness initiatives to monitor behavior and its impact on the overall health of the portfolio. Over a period of time this will ensure that the larger population will live a healthier lifestyle, positively impacting the portfolio performance in the long run.

The underwriting principles are bifurcated for different product lines i.e. Indemnity as well as Benefit based products. Wherever required underwriting rules are amended to ensure that the overall risk is balanced from an organizational viewpoint and an individual channel viewpoint to achieve desired underwriting profitability in the long term.

C. CLAIMS:

The Company believes in efficient and timely processing of claims and benefit payments to ensure ultimate customer satisfaction. The Company has ensured faster claims settlement process and turn-around time as prescribed during the financial year 2025-26.

During the year under review, the Company processed 6.09 lakh claims (reported) amounting to Rs.2009.2 crore by settling (paid) 5.78 lakh cases amounting to Rs.1435.4 crore and repudiating 25.10 thousand cases amounting to Rs.540.6 crore (including disallowed amount).

7. CUSTOMER CARE:

Your Company is committed to delivering seamless and customer-centric services that strengthen long-term policyholder relationships. By deeply understanding customers' needs, preferences, aspirations, and behaviours, you continue to create relevant value propositions and experiences that enhance healthcare and insurance journey for all those who trust in you.

During FY 2025–26, your Company continued to strengthen its commitment to customer excellence through sustained investments in technology, digital transformation, and operational efficiency. The Company remained focused on delivering seamless, accessible, and personalized experiences across the customer lifecycle while fostering trust, transparency, and long-term customer relationships.

During the year, the Company undertook several technology-led initiatives aimed at enhancing customer experience and improving operational efficiency. Automated underwriting processing capabilities were successfully implemented, enabling faster and more efficient policy issuance through automated decision-making based on customers' responses to medical questions. Further, self-service capabilities were enhanced through the introduction of instant Optical Character Recognition (OCR)-based functionalities for customer policy updations, thereby improving convenience and reducing turnaround times.

As part of its commitment to promoting preventive healthcare and customer wellness, the Company strengthened its wellness ecosystem through the successful launch of Phase I modules on the ManipalCigna Health Insurance mobile application, including Health Risk Assessment, Target Risk Assessment, and Lifestyle Management Programmes. These initiatives empower customers to proactively manage their health and well-being while encouraging greater engagement with wellness and preventive care solutions.

The Company also made significant progress in strengthening its claims servicing capabilities during FY 2025–26. As part of its claims transformation journey, claim in-housing for Group SME policies was successfully operationalized in August 2025, followed by the successful go-live of claim in-housing for Retail and Affinity policies in December 2025. These initiatives have enhanced operational control, improved efficiency, and strengthened the overall claims experience for customers. In addition, a dedicated Claim Contact Centre was launched on August 1, 2025, to provide specialized customer assistance, improve responsiveness, and deliver enhanced support throughout the claim's lifecycle.

These strategic initiatives have strengthened digital adoption, operational efficiency, and customer engagement, reinforcing your Company's commitment to delivering superior customer experiences. The Company's continued focus on innovation and customer excellence was recognized through several prestigious industry accolades during FY 2025–26, including:

- Best Product Innovation in BFSI at the 3rd Edition BFSI Tech Summit & Awards 2025
- Best Digital Customer Experience Initiative at the 7th Edition CX Excellence Awards 2025

Management Report

In accordance with the provisions of the IRDAI (Actuarial, Finance and Investment Functions of Insurers) Regulations, 2024 ('Regulation'), the following Management Report is submitted:

1. The Certificate of Registration under Section 3 of the Insurance Act, 1938 was granted by IRDA on 13th November 2013 and continues to be valid. The Company has paid annual fee for the financial year 2026-27 as required under Section 3A read with Section 3 of the Insurance Act, 1938.

2. To the best of our knowledge and belief, all the dues payable to the statutory authorities have been duly paid.

3. The Company's Share holding pattern during the year is in accordance with the requirements of the Insurance Act, 1938 and IRDAI (Registration, capital structure, transfer of shares and amalgamation of insurers) Regulations, 2024 and during the year there is no transfer of shares.

4. The management of the Company has not directly or indirectly invested outside India, any funds of holders of policies issued in India.

5. The Company has maintained the required solvency margin laid down by Insurance Regulatory and Development Authority of India.

6. The values of all the assets have been reviewed on the date of Balance Sheet and in management's belief, the assets set forth in the Balance Sheet are shown in the aggregate at amounts not exceeding their realizable or market value under the several headings presented - "Loans", "Investments", "Agents balances", "Outstanding Premiums", "Interest, Dividends and Rents outstanding", "Interest, Dividends and Rents accruing but not due", "Amounts due from other persons or Bodies carrying on insurance business", " Advances", "Cash" and the several items specified under "Other Accounts".

7. During the financial year 2025-26, ManipalCigna Health Insurance Company Ltd (the Company) continued to strengthen its Risk Management framework. The Company has observed an emerging shift in disease mix reflected in health insurance claims; however, it demonstrated strong resilience and responded effectively through robust risk mitigation measures, thereby safeguarding stakeholder interests.

   The Company follows an integrated Governance, Risk & Compliance (GRC) framework enabling a coordinated and proactive approach to risk management This framework has contributed to reduced inefficiencies and non-compliance, enhanced risk oversight, improved information sharing, and ensured business continuity through informed decision-making.

   The overall Risk is monitored by the Risk Management Committee with execution led by the Risk Management Team under the guidance of the Chief Compliance Officer. All departments falling within the second line of defence work independently but in close coordination & synergy. Comprehensive risk updates are presented to the Committee on a quarterly basis to ensure alignment with the governance framework and performance objectives.

The Company has a "Three layers of Defense" structure comprising of;

- Head of Departments (HOD) of respective functions
- Risk Management and Compliance
- Internal Audit

Together, these three layers in their respective capacities provide a robust mechanism for risk mitigation.

The Company has established a well-differentiated governance and operating structure to have a focused approach across Enterprise Risk Management, Operational Risk Management, Information and Cyber Security, Fraud Mitigation and Business Continuity.

At an Enterprise level, The Company monitors and maintains a repository of top risks on regular basis and tracks the movement of these risks on a quarterly basis. A Board approved Risk Management policy is in place which acts as a guiding force while carrying out related activities. In the post-pandemic environment, emerging health risks continue to be closely monitored. The Company has ensured uninterrupted operations through an effective hybrid work model, whenever required seamlessly supporting both Work-from-Office & Home.

At the departmental level, risk identification and mitigation are strengthened through Risk Control Self-Assessments (RCSA), supported by periodic reviews and control testing. Additionally, the Company has established a structured mechanism to capture, monitor, and analyze Operational Losses and Near-Miss events, with a clear focus on preventing recurrence.

The Company has a robust Information Security framework in place to safeguard the confidentiality, integrity and availability of customer personal and health information. During the year, The Company has no instances of any cyber-attack. A strong information security framework and Policy is in place which is in line with the industry standards, applicable regulatory guidelines and is also approved by the Board. The Company has been undertaking Information Security awareness activities throughout the year. Activities like Phish-me, regular educational e-mailers, trainings are also undertaken during the year.

The Company has ZERO tolerance for any malpractices and frauds. However, if there are any frauds which come to light; a strong governance framework is in place to deal with such instances. There is an Ethics Committee to look into employee matters and Whistle blower complaints. There is also a Market Conduct Committee for Intermediary / market conduct related matters. This helps in focused reviews.

During the year, The Company had adopted multi-product and multi-distribution strategy coupled with price revision of flagship products, which enabled The Company in its growth journey. Living by the philosophy of customer centricity, The Company had led various product innovations and digital enhancements to provide better customer experience

The Company also has in place a Board approved Business Continuity Policy and a Plan, the same is being diligently followed. The Plan is also reviewed on a periodic basis.

Overall, it has been an eventful year with notable achievements to maintain business continuity and achieve sustainable business growth calibrated to Risk, Cost and Quality based on multi-product and multi-distribution strategy.

8. The Company does not have insurance operations in any other country.

9. During the current year the company has received intimation for claims and settled claims amounting to INR 1,60,028 lakhs (net of reinsurance and excluding TPA fees and Claim investigation fees). INDEPENDENT AUDITORS' REPORT

To
The Members
ManipalCigna Health Insurance Company Limited

Report on audit of the Financial Statements

Opinion

We have audited the accompanying Financial Statements of **ManipalCigna Health Insurance Company Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2026, the related Revenue Account (also called the "Policyholders' Account"), the Profit and Loss Account (also called the "Shareholders' Account"), and the Receipts and Payments Account each for the year ended March 31, 2026 and summary of significant accounting policies and other explanatory notes forming part of the financial statements (herein after referred to as "Financial Statements")**.**

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Insurance Act, 1938, as amended, ("the Insurance Act"), the Insurance Regulatory and Development Authority Act, 1999 ("the IRDAI Act"), Insurance Regulatory and Development Authority of India (Actuarial, Finance and Investment Functions of Insurers) Regulations, 2024 read with Master Circular No. IRDAI/ACTL/CIR/MISC/80/05/2024 dated May 17, 2024 (the "IRDAI Financial Statements Regulations 2024"), the regulations/ orders/directions/circulars issued by the Insurance Regulatory and Development Authority of India ("the IRDAI") and the Companies Act, 2013, as amended ("the Act") to the extent applicable, in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under Section 133 of the Act read with the Companies (Accounting Standards) Rules, 2021, ("AS") as amended, and accounting principles generally accepted in India, as applicable to insurance companies:

(a) in the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2026;

(b) in the case of the Revenue Account, of the Operating Loss for the year ended on that date;

(c) in the case of the Profit and Loss Account, of the loss for the year ended on that date; and

(d) in the case of the Receipts and Payments Account, of the receipts and payments for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act**.** Our responsibilities under those Standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report.

We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Insurance Act, 1938, the IRDAI Act and the Regulations thereunder, the Act and the Rules thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period and include the most significant risks identified by us that may lead to material misstatement (whether or not due to fraud) and assessed by us as part of the audit procedures. These matters included those which had the greatest effect on the overall audit strategy, the allocation of resources in the audit and directing the efforts of the engagement team.

These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matters	**How our audit addressed the key audit matter**
1) Claim Settlement Claims are a significant expense for the Company. Provisioning of Outstanding Claims including Claims Incurred but Not Reported (IBNR) and Incurred but Not Enough Reported (IBNER) are significant in magnitude and requires use of judgements and estimates. With regards to the claims provision, the Company makes a provision for claims upon intimation, on receipt of documents, communication from coinsurer leader in cases of incoming co-insurance business etc. The estimates undergo a revision based on further information and the settlement amount could vary from the provision created. The estimate of the claim involves a high degree of judgement	**Our audit procedures included the following:** We tested the design and operating effectiveness of controls around the due and intimated claims recording process. Assessed and tested the operating effectiveness of key controls relating to the claims handling process, including controls over completeness and accuracy of the claim outstanding recorded. Tested on a sample basis, claims paid, and provision created with payment proof, claim intimation documents and communication from co-insurer leader in cases of incoming co-insurance business, which are material to assess whether claims are appropriately paid, estimated and recorded. Performed analytical review procedures on the outstanding claims and claims paid. Tested the arithmetical accuracy of computation of claims provision performed by the Company.

	The actuarial valuation of liability in respect of Claims Incurred but Not Reported (IBNR) and those Incurred but Not Enough Reported (IBNER) is as certified by the Company's Appointed Actuary and we have relied upon on the appointed actuary's certificate in this regard.
2) Information Technology Systems and Controls (IT Controls) The Company's financial accounting and reporting systems are highly dependent on the effective working of the operating and accounting systems due to extensive volumes, variety and complexity of transactions. The company has separate software applications for management of its various activities. Transfer of data from/to these softwares is critical for accurate compilation of financial information. The controls implemented by the Company in its IT environment determine the integrity, accuracy, completeness and validity of the data that is processed by the applications and is ultimately used for financial reporting. These controls contribute to mitigating risk of potential misstatements caused by fraud or error. We have identified IT controls as Key Audit Matter because of significant use of IT systems and the scale and complexity of the IT architecture. Our audit outcome is dependent on the effective functioning of such operating and accounting system.	**Our audit procedures included the following:** We obtained an understanding of the Company's IT related controls, IT applications and databases and key changes if any during the audit period that may be relevant to the financial reporting. We also involved our IT specialists to obtain an understanding of the entity's IT-related control environment. Our audit procedures included testing and reviewing the design and operating effectiveness of the key automated and manual business cycle controls and logic for system generated reports relevant to the audit by verifying the reports and other financial and non-financial information generated from the system on a test-check basis. We have reviewed the reconciliations between the core operating systems and the accounting software to mitigate the risk of incorrect data flow to/from separate application software. We have also obtained management representations wherever considered necessary.
3) Contingencies relating to matter pertaining to disputes in respect of Claims, Direct and Indirect Taxation. Total contingent liabilities as at March 31, 2026 is 2,914 lakhs (Note No 3.1 of Schedule 16 to Financial Statements) The Company has received various demands and show cause notices (mostly industry specific) from the tax authorities and is also in litigation at various forums with policyholders in respect of claims under insurance policies not acknowledged as debts.	**Our audit procedures included the following:** Testing the design and operating effectiveness of the Company's key controls over the estimation, monitoring and disclosure of provisions and contingent liabilities. Obtaining an understanding of internal controls in relation to creation of provisions and contingent liabilities in respect of the major litigations before various judicial forums including Indirect Taxes, various claims filed

We have considered this as a key audit matter because the Company has material uncertain tax positions including matters under dispute which involves significant amount.	by other parties not acknowledged as debts relevant to audit in order to design our audit procedures that are appropriate in the circumstances. Understanding the current status of the litigations in respect of each matter for different years; Examining recent orders/communication received from various authorities/ judicial forums, judicial pronouncements and follow-up action thereon, Evaluating the merit of the issues and subject matter under consideration with reference to the grounds presented therein and available independent legal/tax advice including opinion of our integral legal/tax experts; Review and analysis of evaluation of the contentions of the Company through discussions, collection of details of the subject matter under consideration, the likely outcome and consequent potential outflows on those issues and verification of disclosures related to significant litigations and indirect taxation matters.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information**.** The other information comprises the information included in the Board Report and Annexures thereto but does not include the Financial Statements and our Auditors' report thereon**.** The other information is expected to be made available to us after the date of this auditor's report thereon**.**

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Financial Statements to give a true and fair view of the financial position, financial performance and Receipts and Payments of the Company in accordance with the requirements of the Insurance Act read with IRDAI, Regulations / orders / directions / circulars / guidelines issued by the Authority in this regard, the Act and in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act read with relevant rules issued thereunder.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.

- Obtain an understanding of internal controls relevant to the audit to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to the financial statements, in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report**.** However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the year ended March 31, 2026 and are therefore, the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

The actuarial valuation of liabilities in respect of claims Incurred But Not Reported (IBNR), including claims Incurred But Not Enough Reported (IBNER) and provisioning for Premium Deficiency, Free Look Reserve, Healthy Reward Points (HRP) Reserve and Health Maintenance Benefit (HMB) Reserve as at March 31, 2026 is the responsibility of the Company's Appointed Actuary ("Actuary") and has been duly certified by the Actuary. The Actuary has also certified that in his opinion, the assumptions for such valuation are in accordance with the guidelines and norms, if any, issued by the IRDAI and the Institute of Actuaries of India in concurrence with the Authority**.** Accordingly, we have relied upon the Actuary's certificate in this regard for forming our opinion on the financial statements of the Company.

The comparative financial information of the Company for the corresponding year ended March 31, 2025, included in these financial statements, were audited by V P Thacker & Co. (now known as TLB & Co. and CNK & Associates LLP) (the erstwhile joint auditors) who expressed an unmodified opinion on those financial information on May 07, 2025.

Our opinion is not modified in respect of these matters.

Report on Other Legal and Regulatory Requirements

   (c) As the Company's financial accounting system is centralized at Head Office, no returns for the purposes of our audit are prepared at the branches of the Company;

   (d) The Balance Sheet, the Revenue Account, the Profit and Loss Account and the Receipts and Payments Account dealt with by this report are in agreement with the books of account;

   (e) In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements dealt with by this report comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Accounting Standards) Rules, 2021 specified under section 133 of the Act to the extent they are not inconsistent with the accounting principles prescribed in the IRDAI Financial Statements Regulations and orders/directions issued by IRDAI in this regard;

(f) In our opinion and to the best of our information and according to the explanations given to us, investments have been valued in accordance with the provisions of the Insurance Act, the IRDAI Act and the IRDAI Financial Statements Regulations 2024 and/or the regulations and / or orders / directions/issued by the IRDAI in this regard;

(g) In our opinion and to the best of our information and according to the explanations given to us, the accounting policies selected by the Company are appropriate and are in compliance with the Accounting Standards specified under Section 133 of the Act, to the extent they are not inconsistent with the accounting principles prescribed in the IRDAI Financial Statements Regulations and orders / directions issued by the IRDAI in this behalf;

(h) On the basis of written representations received from the Directors, as on March 31, 2026 taken on record by the Board of Directors, none of the Directors is disqualified as on March 31, 2026, from being appointed as a director in terms of Section 164(2) of the Act;

(i) With respect to the adequacy of the internal financial controls with reference to Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate Report in **Annexure B** to this report.

(j) The modification relating to the maintenance of books of accounts and other matters connected therewith are as stated in the paragraph 2(b) above on reporting under section 143(3)(b) and paragraph 2(l)(vi) below on reporting under Rule 11(g).

(k) The remuneration paid by the Company to its directors is in accordance with and within the provisions of Section 197 of the Act read with Section 34A of the Insurance Act. We also refer note 14 of Schedule 16(C) to the Financial Statements which details the status of IRDAI approval under section 34A of the Insurance Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us;

(l) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our knowledge and belief and according to the information and explanations given to us:

i. The Company has disclosed the impact of pending litigations as at March 31, 2026 on its financial position in its financial statements – Refer Note No. 3.1 in the Notes to Accounts forming part of financial statements.

ii. The Company did not have any long-term contracts including derivative contracts.

iii. There are no amounts which are required to be transferred to the Investor Education and Protection Fund by the Company for the year ended March 31, 2026.

iv. (a) The Management has represented that, to the best of it's knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The Management has represented, that, to the best of it's knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(c) Based on such audit procedures that we have considered reasonable and appropriate in the circumstances; nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided above, contain any material misstatement.

v. The Company has not declared or paid any dividend during the year, hence Section 123 of the Act is not applicable.

vi. Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except that for some ancillary softwares forming part of the IT ecosystem both at application level and at database level to log any direct changes therein has not been enabled for certain tables throughout the audit period.

Annexure – B

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

(Referred to in paragraph 2(i) of our Report on Other Legal and Regulatory Requirements forming part of the Independent Auditors' Report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 (the "Act")

We have audited the internal financial controls over financial reporting **of ManipalCigna Health Insurance Company Limited** ("the Company") as of March 31, 2026, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI")**.** These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 including the provisions of the Insurance Act, 1938, as amended, ("the Insurance Act") the Insurance Regulatory and Development Authority Act, 1999 ("the IRDAI Act"), Insurance Regulatory and Development Authority of India (Actuarial, Finance and Investment Functions of Insurers) Regulations, 2024 read with Master Circular No. IRDAI/ACTL/CIR/MISC/80/05/2024 dated May 17, 2024 ("the IRDAI Financial Statement Regulations 2024"), the regulations/orders/directions/circulars issued by the Insurance Regulatory and Development Authority of India ("the IRDAI") in this regard..

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting, based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Financial Statements included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to Financial Statements.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes, in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
(2) provide reasonable assurance that transactions are recorded, as necessary, to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and
(3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on "the internal control over financial reporting criteria established by the Company, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting, issued by the ICAI".

Other Matter

The actuarial valuation of liabilities in respect to Claims Incurred but Not Reported (IBNR), including Claims Incurred but Not Enough Reported (IBNER), included under claims outstanding, estimate of loss ratio for determining profit commission on re-insurance treaties and Premium Deficiency and Free Look Reserve as at March 31, 2026, is the responsibility of the Company's Appointed Actuary ("Actuary") and has been duly certified by the Actuary. The Actuary has also certified that in his opinion, the assumptions for such valuation are in accordance with guidelines and norms, if any, issued by the Insurance Regulatory and Development Authority of India (the "IRDAI") and the Institute of Actuaries of India in concurrence with the IRDAI. We have relied upon the Appointed Actuary's certificate in this regard as mentioned in "Other Matter" paragraph of our audit report on the Financial Statements of the Company for the year ended March 31, 2026. Accordingly, our opinion on the internal financial controls with reference to Financial Statements does not include reporting on the adequacy of the design and operating effectiveness of internal controls over valuation and accuracy of the aforesaid actuarial liabilities. Our opinion is not modified in respect of this matter.

Our opinion is not modified in respect of the above matter.

16 - Significant accounting policies and Notes to Financial Statements

1. Background

ManipalCigna Health Insurance Company Limited was incorporated on 12th March 2012, as a Company under The Companies Act, 1956. The Company received the license to commence business from the Insurance Regulatory and Development Authority of India (IRDAI) on 13th November 2013, to transact and underwrite health Insurance business under the miscellaneous segment in India.

The Company is a joint venture between Manipal Education and Medical Group India Private Limited (6.23%), MEMG Fund Advisors LLP (44.72%), and Cigna Holdings Overseas, Inc. (48.96%) and Others (0.09%).

2. Significant Accounting Policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared and presented on a going concern basis, under the historical cost convention, unless otherwise specifically stated, on the accrual basis of accounting, in accordance with accounting principles generally accepted in India (Indian GAAP) and comply with the applicable accounting standards referred to in section 133 of the Companies Act, 2013, and in accordance with the provisions of the Insurance Act, 1938, Insurance Laws (Amendment) Act, 2015 (to the extent notified), Insurance Regulatory and Development Authority Act, 1999, the Insurance Regulatory and Development Authority of India (Actuarial, Finance and Investment Functions of Insurers), 2024 ('the Regulations') and orders / directions / circulars / notifications / guidelines prescribed by the IRDAI in this behalf, the provisions of the Companies Act, 2013 (to the extent applicable), in the manner so required and current practices prevailing within the insurance industry in India. Accounting policies applied have been consistent with the previous year, except where differential treatment is required as per new pronouncements made by the regulatory authorities.

2.2 Use of Estimates

The preparation of financial statements in conformity with the generally accepted accounting principles (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, revenue and expenses and disclosure of contingent liabilities in the Financial Statements. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as on the date of the financial statements. Actual results may differ from the estimates and assumptions used in preparing the accompanying financial statements. Differences between actual and estimates are recognised in the year in which the actual materialises or are known. Any revision to accounting estimates is recognised prospectively in the year in which such revision is made.

2.3 Revenue recognition

(i) Premium

Premium including reinsurance accepted (net of goods and service tax) is recognised as income over the contract period or the period of risk, whichever is appropriate, on a gross basis. Any subsequent revisions to or cancellations of premiums are recognised in the year in which they occur.
In accordance with IRDAI master circular on Actuarial, Finance and Investment Functions of Insurers, from 1st October 2024, Premium for a Long-Term policy if collected at the time of sale of the policy, for the entire Policy Duration or for any duration exceeding 12 months, shall be recognized on a yearly basis i.e. Gross Written Premium reported for any financial year shall be the total Gross Written Premium due for the Long-Term Policy multiplied by '1/n', where 'n' is the Policy Duration.

(ii) Interest / dividend income

Interest income is recognised on accrual basis and dividend income is recognised when the right to receive the dividend is established.

(iii) Premium / discount on purchase of investments

Premium or discount on acquisition, as the case may be, in respect of Debt securities, is amortized /accreted on yield to maturity (YTM) basis over the period of maturity / holding.

(iv) Profit / loss on sale of securities.

Profit or loss on sale / redemption of securities is recognised on trade date basis and includes effects of accumulated fair value changes, previously recognised and debited / credited to Fair Value Change, for specific investments sold / redeemed during the year.

(v) Commission on Reinsurance Ceded

Commission received on reinsurance ceded is recognised as income in the year in which reinsurance premium is ceded. Profit commission under reinsurance treaties recognised in the year of determination of the profits as per the terms of the treaties.

2.4 Reinsurance Ceded

Premium ceded on reinsurance is recognised as and when incurred and due and in accordance with the Reinsurance treaties with the Reinsurer. Any subsequent revision to, refunds or cancellations of premiums are recognized in the year in which they occur.

Re-Insurance acceptance

The results of a reinsurance accepted are accounted as per the recent statement of accounts or confirmation received from reinsurers.

2.5 Acquisition costs

Acquisition costs, defined as costs that vary with, and are primarily related to, the acquisition of insurance contracts viz., commission, rewards and recognition, policy issue expenses etc., are expensed in the year in which they are incurred.

2.6 Reserve for unexpired risk

Represents that part of the net premium (i.e., premium, net of reinsurance ceded) which is attributable to, and set aside for subsequent risks to be borne by the Company under contractual obligations on contract period basis or risk period basis. Effective financial year 2016-17, such reserves are recognised at 50% of Net Written Premium of preceding 12 months basis.

2.7 Premium deficiency

Premium deficiency is recognised for the Company as a whole on an annual basis. Premium deficiency is recognised if the sum of the expected claim costs, related expenses and maintenance cost (related to claims handling) exceeds related reserve for unexpired risk. The expected claim costs are calculated and duly certified by the Appointed Actuary.

2.8 Claims

Claims incurred comprises of claims paid (net of recoveries), change in estimated liability for outstanding claims made following a loss occurrence reported, change in estimated liability for claims incurred but not reported ('IBNR') and claims incurred but not enough reported ('IBNER'). Further, claims incurred also include claim related and specific claim settlement costs.

2.9 Claims Incurred but not reported (IBNR) and claims incurred but not enough reported (IBNER)

IBNR represents that amount of all claims that may have been incurred prior to the end of the current accounting period but have not been reported or claimed. The IBNR provision also includes provision, if any, required for claims incurred but not enough reported (IBNER). The said liability is determined based on actuarial principles by the Appointed Actuary. The methodology and assumptions on the basis of which the liability has been determined has also been certified by the Actuary to be appropriate, in accordance with guidelines and norms issued by the Institute of Actuaries of India in concurrence with the IRDAI and, accordingly, the liability determined is certified as adequate by the Appointed Actuary.

2.10 Fixed Assets

(i) Tangible assets

Tangible assets are stated at cost less accumulated depreciation. Depreciation is provided on the straight-line method, on pro-rata basis from the month in which the asset is ready for use, in accordance with the provisions of Schedule II of the Companies Act, 2013. All assets individually costing up to Rs. 20,000 are fully depreciated / amortized in the year in which they are acquired.
Assets not ready for their intended use and other capital work-in-progress are carried at cost, comprising direct cost and related incidental expenses.

(ii) Intangible assets

Intangible assets comprising software are stated at cost less amortization. Significant expenditure on improvements to software are capitalized when it is probable that such expenditure will enable the asset to generate future economic benefits. Significant improvements to software are capitalized and amortized over the remaining useful life of such improvements made. All assets individually costing up to Rs. 20,000 are fully depreciated / amortized in the year in which they are acquired. Assets not ready for their intended use and other capital work-in-progress are carried at cost, comprising direct cost and related incidental expenses.

(iii) Depreciation

Asset Class	Estimated Useful Life	Useful Life as per Companies Act,2013
Information Technology Equipment – Servers and Network	6 years	6 years
Information Technology Equipment – End-user devices	3 years	3 years
Computer Software	3 years	3 years
Office Equipment	5 years	5 years
Furniture and Fixtures*	5 years	10 years

The Estimated useful life of leasehold Improvements is 5 Years or remaining lease period which is shorter.

* In respect of furniture & fixtures life of the asset has been assessed as five years, considering the nature of the asset, the estimated usage, operating conditions of the asset and past replacement history.

2.11 Investments

Investments are recorded on trade date at cost. Cost includes brokerage, transaction taxes as applicable, etc. and excludes pre-acquisition interest, if any.

(i) Classification:

Investments maturing within twelve months from the balance sheet date and investments made with the specific intention to dispose of within twelve months from the balance sheet date, are classified as short-term investments. Investments other than short term investments are classified as long-term investments.

(ii) Valuation:

Debt Securities

All debt securities are considered as 'held to maturity' and, accordingly, stated at historical cost and are adjusted for amortization of premium or accretion of discount on yield to maturity (YTM) basis in the revenue accounts and profit and loss account over the period held to maturity / holding. The realized gain or loss on the securities is the difference between the sale consideration and the amortized cost in the books of the Company as on the date of sale.

Mutual Funds

All mutual fund investments are valued at net asset value as at the Balance Sheet date. In accordance with the Regulations, any unrealised gains / losses arising due to change in fair value of mutual fund investments are accounted in "Fair Value Change Account".

The investments have been segregated into Policyholder's and Shareholder's fund at the security level, as per the IRDAI circular no. IRDAI/ACTL/CIR/MISC/80/05/2024 dated May 17, 2024, as amended from time to time, and, accordingly, investment income has also stands segregated between Policyholder's and Shareholder's fund.

Unlisted Equity Securities
Unlisted equity securities are stated at cost.

Investment Impairment Policy

The Company assesses whether any diminution other than temporary has occurred on its investments in debt securities or units of mutual fund, at each Balance Sheet date. If any such indication exists, then carrying value of such investment is reduced to its recoverable amount/market value on the Balance Sheet date and the impairment loss is recognised in the Profit and Loss Account. If at the Balance Sheet date there is any indication that a previously assessed impairment loss no longer exists then impairment loss, earlier recognised in Profit and loss Account, is reversed in Profit and loss account and the investment is restated to that extent.

2.12 Employee Retirement Benefits

Short term employee benefits

All employee benefits payable within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries, bonuses, short term compensated absences and other non-monetary benefits are recognised in the year in which the employee renders the related service.

Long term employee benefits

a) **Defined Contribution Plans:**

Provident Fund

Provident Fund is a defined contribution scheme and contributions payable by the Company to the Regional Provident Fund Authority are provided on the basis of prescribed percentage of salary and are expensed in the year when the contributions are made.

b) **Defined Benefit Plans:**

Gratuity

Gratuity benefit, a defined benefit scheme, is provided on the basis of actuarial valuation, including actuarial gains / losses at the balance sheet date and the incremental liability for the year is charged as an expense.

c) **Other Long Term Employee Benefits**

Compensated Absences

Compensated absences are provided for based on actuarial valuation including actuarial gains / losses at balance sheet date and are charged as expense in the relevant period of valuation.

d) **Employee Stock Option Plan (ESOP)**

The Company follows the intrinsic method for computing the compensation cost, for options granted under the Plan in accordance with the Accounting Standard and Guidance note issued by the ICAI. The difference if any, between the fair value of the share and the grant price, being the compensation cost is amortised over the vesting period of the options.

2.13 Leases

Lease arrangements, wherein the risks and rewards incidental to ownership of an asset substantially vest with the lessor, are recognised as operating leases. Lease Rent under operating leases is recognised in the revenue account or profit and loss account, as appropriate on a straight-line basis, over the period of the lease.

2.14 Foreign Currency Transactions

Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of the transaction. Foreign exchange denominated monetary assets and liabilities are restated at the rates prevalent at the date of the balance sheet. Exchange difference either on settlement or on translation is recognised in the Revenue Accounts or Profit and Loss Account, as applicable.

2.15 Income Taxes

Tax expense comprises current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the provisions of the Income Tax Act, 1961. Deferred income taxes reflect the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted as at the Balance Sheet date. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. If the Company has unabsorbed depreciation or carry forward tax losses, deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that such deferred tax assets can be realized against future taxable profits. At each Balance Sheet date, the Company re-assesses unrecognised deferred tax assets. It recognizes unrecognised deferred tax assets to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realised.

2.16 Impairment of assets

The carrying values of assets forming part of any cash generating units at Balance Sheet date are reviewed for impairment at each balance sheet date. If any indication for such impairment exists, the recoverable amounts of those assets are estimated and impairment loss is recognised, if the carrying amount of those assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the estimated future cash flows to their present value based on appropriate discount factor. If at the Balance Sheet date there is any indication that a previously assessed impairment loss no longer exists, then such loss is reversed, and the asset is restated to that extent.

2.17 Goods and Services Tax

Goods and Services Tax (GST) collected is considered as a liability against which GST paid for eligible input services, to the extent claimable, is adjusted and the net liability is remitted to the appropriate authority as stipulated. Unutilized credits, if any, are carried forward under “Advances and other Assets” in Schedule 12, for adjustment in subsequent years.

2.18 Provisions and Contingencies

A provision is recognised when an enterprise has a present obligation as a result of a past event; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on best estimates required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made. Contingent assets are not recognised or disclosed in the balance sheet.

2.19 Earnings per share

The basic earnings per share is computed by dividing the net profit / loss in the Profit and Loss Account attributable to the equity shareholders, by the weighted average number of equity shares outstanding during the reporting year. The number of shares used in computing diluted EPS comprises of weighted average number of shares considered for deriving basic EPS and also the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations.

2.20 Segment Reporting

In the case of Health Insurance business, based on the primary segments identified under the Insurance Regulatory and Development Authority (Actuarial, Finance and Investment Functions of Insurers) Regulations, 2024, read with AS 17 on "Segment Reporting" issued by Institute of Chartered Accountants of India, the Company has classified and disclosed segment information for Health Insurance and Personal Accident Insurance.

There are no reportable geographical segments since all business is written in India.

The allocation of revenue and expenses to specific segments is done in the following manner, which is applied on a consistent basis.

Income and expenses which are directly identifiable to the business segments are allocated on actuals.

Income and expenditure (including depreciation) which are not directly identifiable to the business segments are apportioned on either of the following, as may be appropriate:

- Gross written premium; and
- Number of policies
- Commission

The method of apportionment is decided by the management, based on the nature of the expenses and their logical correlation with various business segments, wherever possible.

2.21 Receipts and Payments Account

a) Receipts and Payments Account is prepared and reported using the Direct Method, in conformity with para 2) a) i) of the Master Circular on Actuarial, Finance and Investment Functions of Insurers dated May 17, 2024, issued by the IRDAI.

b) **Cash (including cheques, drafts and stamps)**

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

2.22 Unclaimed amount of policyholders

Assets held for unclaimed amount of policyholders is created and maintained in accordance with the requirement of IRDAI Master Circular on "Unclaimed Amounts of Policyholders" dated July 25, 2017, as amended from time to time, and IRDAI (Actuarial, Finance and Investment Functions of Insurers) Regulation, 2024 as amended from time to time:

Unclaimed amount of policyholders is invested in money market instruments and / or fixed deposits of scheduled banks which is valued at historical cost or market value whichever is lower.

Income on unclaimed amount of policyholders (net of fund management charges) is credited to the respective unclaimed account and is accounted for on an accrual basis.

Any amount that remains outstanding for a period of more than 10 years in Unclaimed Amount of Policyholders is transferred to the Senior Citizen Welfare Fund (SCWF) on or before 1st March of each Financial Year.

2.23 Share & Subordinated Debt issue expenses

The share and Subordinated Debt issue expenses shall be written off to the Profit and Loss Account in the same financial year in which they are incurred.

3.16.1 The Company received a show cause notice dated 15 June 2023 from DGGI demanding GST of Rs. 909 lakhs towards disputed ITC availed on certain services. The Company has deposited an amount of Rs. 1,357 lakhs under protest towards GST along with applicable interest and penalty against the demand. Subsequently, Adjudicating Authority issued an order on 25 October 2024 continuing the demand against which the Company has filed an appeal with Appellate Authorities. Accordingly, the Company has disclosed the amount paid as "Deposit under Schedule 12 – Advances and other Assets as on March 31,2026.

3.16.2 The Company received an order on 29th Dec 2025 raising a demand of Rs. 1,730 Lakhs with an equivalent amount of penalty and applicable interest with respect to policies issued to SEZ units during the year 2018 to year 2023. Department has made an error quantifying tax demand of INR 1,730 lakhs instead of INR 972 lakhs. The Company filed an appeal against this order with the appellate authority on 23rd March 2026 and has paid GST of Rs. 173 lakhs as pre-deposit.

3.16.3 The Company has also received order u/s 143(3) read with section 144C of Income Tax Act, 1961 for AY 2023-24 reducing the tax losses while there is no tax demand. Company is in the process of filing Appeal against the order for AY 2023-24. The Company has received final orders from the Income Tax department for AY 2016-17 and AY 2020-21 to AY 2022-23 during previous financial year reducing the tax losses by disallowing certain expenses while there is no tax demand on account of accumulated losses. Appeals against such orders were filed before the appropriate Authorities.

The management believes that the ultimate outcome of these proceedings will not have any material adverse effect on the Company's financial position and results of its operations and does not expect any disbursement on account of nil tax demand. With respect to penalty proceedings, it is not practicable to estimate the timing of cash outflows, if any, in respect of these matters, pending resolution of the judicial / appellant proceedings.

*In accordance with the IRDAI (Registration, Capital Structure, Transfer of Shares and Amalgamation of Insurers) Regulations, 2024, the Company has issued fully paid up Non-Convertible Debts (NCDs) that are unsecured, subordinated, rated, listed and redeemable after 10 years at an interest rate of 9% payable annually. These NCD's are privately placed on Bombay Stock Exchange of India Limited.

The Company has paid Interest of Rs.1,737 Lakhs (Gross of TDS) on its Subordinated debt and charged it to Profit & Loss Account. The payment of interest has been made in accordance with the applicable terms of issuance and all regulatory requirements prescribed by IRDAI and other applicable laws have been duly complied with.

3.30 Employee Stock Option Plan (ESOP)

The Company had instituted an Employee Stock Option scheme ("ESOP 2019", "ESOP 2021" & "ESOP 2023") to enable employees of the Company to participate in future growth. The eligible employees are granted options to acquire equity shares of the Company.

During the year, the Company has issued fresh grant to the eligible employees under Employee Stock Option scheme "ESOP 2023". The scheme provides that eligible employees are granted options to acquire equity shares of the Company that vest in graded manner over a period of four years from the date of the grant.

During the year, exercise period of the options granted under the scheme "ESOP 2019" and "ESOP 2021" has been extended from three years to five years. The performance condition for part of the options granted under the scheme "ESOP 2019" and "ESOP 2021" were not met. Accordingly, 87,77,969 options have lapsed during the year.

The Company has adopted intrinsic value method for computing the compensation cost for the option granted. Since the exercise price is not less than the intrinsic value of shares on the date of grant, value of option is Nil and accordingly no compensation cost is recognized in the books. The fair value of options has been estimated using Black-Scholes model.

Had the Company followed the fair value method for valuing its options for the period ended, the charge to the Revenue accounts and Profit and Loss account would have been lower by Rs. 402 lakhs (Previous period charge increase by Rs. 238 lakhs) and losses after tax would have been reduced by Rs. 402 lakhs (Previous period increase by Rs.238 lakhs).

During the FY-25-26, eligible employees have exercised stock options of 4,69,124 equity shares under the scheme ("ESOP 2019", "ESOP 2021" & "ESOP 2023")

Consequently, the Company's basic and diluted earnings per share would have been Rs. (2.24) and Rs. (2.22) respectively.

Movement in the options under ESOP Scheme
