EXPLANATORY STATEMENT IN PURSUANCE OF SECTION 102(1) OF THE COMPANIES ACT, 2013

ITEM NO. 3: TO CONSIDER AND APPROVE APPOINTMENT OF M/S T.R. CHADHA & CO. LLP AS THE JOINT STATUTORY AUDITOR OF THE COMPANY, IN PLACE OF M/S. CNK & ASSOCIATES, LLP (CNK) (RETIRING AUDITOR) AND TO FIX THEIR REMUNERATION

The term of existing Joint Statutory auditor, M/s. CNK & Associates, LLP (CNK), will be concluded at the forthcoming 13th Annual General Meeting (AGM) of the Company. Accordingly, the Management had evaluated various audit firms, eligible as per IRDAI Regulations / Guidelines.

The Board of Directors in its meeting dated May 7, 2025, basis recommendation from Audit Committee and evaluation grid, had appointed M/s T.R. Chadha & Co. LLP" (Firm Registration No. 006711N/N500028) as the Joint Statutory Auditor of the Company for a term of Four (4) years i.e. commencing from the date of 13th AGM till 17th AGM, subject to the approval of Shareholders of the Company.

M/s T.R. Chadha & Co. LLP have confirmed their eligibility for appointment under Section 139 read with Section 141 of the Companies Act, 2013. M/s T.R. Chadha & Co. LLP will hold office for a period of 4 (four) consecutive years from the conclusion of the ensuing 13th AGM of the Company till the conclusion of the 17th AGM subject to the approval by the Shareholders at the ensuing Annual General Meeting.

The proposed remuneration to be paid to M/s T.R. Chadha & Co. LLP for audit services for the financial year ending March 31, 2026, is INR 25 Lakhs plus applicable taxes and out-of-pocket expenses.

Besides the audit services, the Company would also obtain certifications from the statutory auditors under various statutory regulations and certifications required by banks, statutory authorities, audit related services and other permissible non-audit services as required from time to time, for which they will be remunerated separately on mutually agreed terms, as approved by the Board of Directors on recommendation of the Audit Committee. The Audit Committee and the Board of Directors shall consider approval of revisions to the remuneration of the Statutory Auditors for the remaining part of the tenure. The Board of Directors, in consultation with the Audit Committee, may alter and vary the terms and conditions of appointment, including remuneration, in such manner and to such extent as may be mutually agreed with the Statutory Auditors.

The Board therefore recommends the Resolution set out at Item No. 3 of this AGM Notice to the Members for their consideration and approval by way of Ordinary Resolution.

None of the Directors and Key Managerial Personnel of the Company or their relatives is, in any way, concerned or interested, financially or otherwise, in the resolution set out in Item No. 3, except to the extent of their respective shareholding in the Company.

6. INDUSTRY & COMPANY OUTLOOK:

A. PRODUCTS:

The health insurance segment has witnessed remarkable growth in recent years, spurred by a series of governmental and regulatory initiatives. Notably, the period spanning 2024-25 saw unprecedented progress in India's health Insurance landscape, driven by concerted efforts to enhance coverage and accessibility to cater all age groups and risk categories.

During the transformative period of 2024-25, your company took decisive strides towards bridging India's health insurance gap by introducing innovative, customizable, and affordable solutions. These offerings not only empowered customers with greater choice and protection but also reinforced ManipalCigna's position as a leading player in driving health insurance penetration across Tier 2 & 3 cities. Notably, the launch of ManipalCigna Sarvah and ManipalCigna Prime Plus during the FY 24-25, marked key milestones – further enriching our product portfolio to serve a broader demographic. Building on this momentum, we continue to enhance the comprehensiveness and versatility of our offering, staying aligned with the evolving needs of our diverse customer's base. Your company focused on strengthening its presence in the retail segment by prioritizing the growth of new business premium, while also consolidating its position in the group business segment.

B. UNDERWRITING AND OPERATIONS:

Your Company continued to adhere to the underwriting principles of being fair and customer centric by assessing risks on merits, using a scientific approach of underwriting with the help of advanced automated underwriting tools. During the year under review, your Company ensured continuous enhancement of the underwriting tool by building frameworks to identify substandard risk and create rules that ensure a balanced portfolio. Your Company has been abreast with market practices and has been able to keep pace with the same without losing focus on creating a good pool of risk.

The emphasis has also been to simplify processes and achieve cost effectiveness. Your Company has ensured that the risk management and underwriting process is managed with minimal manual intervention and everyday experience becomes easy and reliable. The focus has been to achieve consistency in underwriting decisions in the long term by standardizing risk acceptance criteria.

Efficient governance mechanisms have been put in place including quarterly underwriting audits to ensure effective governance of processes & risk selection mechanisms. During the year under review, your Company effectively monitored the volatility of the portfolio by quarterly reviews to identify risks in advance and built measures to mitigate any erosion of portfolio.

Your Company is also continuously engaging segments of population in various wellness initiatives to monitor behavior and its impact on the overall health of the portfolio. Over a period of time this will ensure that the larger population will live a healthier lifestyle, positively impacting the portfolio performance in the long run.

The underwriting principles are bifurcated for different product lines i.e. Indemnity as well as Benefit based products. Wherever required underwriting rules are amended to ensure that the overall risk is balanced from an organizational viewpoint and an individual channel viewpoint to achieve desired underwriting profitability in the long term.

C. CLAIMS:

The Company believes in efficient and timely processing of claims and benefit payments to ensure ultimate customer satisfaction. The Company has ensured faster claims settlement process and turn-around time as prescribed during the financial year 2024-25.

During the year under review, the Company processed 4.95 lakh claims (reported) amounting to Rs.1780.4 crore by settling (paid) 4.61 lakh cases amounting to Rs.1174.1 crore and repudiating 30.99 thousand cases amounting to Rs.566.36 crore (including disallowed amount).

Management Report

In accordance with the provisions of the IRDAI (Actuarial, Finance and Investment Functions of Insurers) Regulations, 2024 ('Regulation'), the following Management Report is submitted:

1. The Certificate of Registration under Section 3 of the Insurance Act, 1938 was granted by IRDA on 13th November 2013 and continues to be valid. The Company has paid annual fee for the financial year 2025-26 as required under Section 3A read with Section 3 of the Insurance Act, 1938.

2. To the best of our knowledge and belief, all the dues payable to the statutory authorities have been duly paid.

3. The Company's Share holding pattern during the year is in accordance with the requirements of the Insurance Act, 1938 and IRDAI (Registration, capital structure, transfer of shares and amalgamation of insurers) Regulations, 2024 and during the year there is no transfer of shares.

4. The management of the Company has not directly or indirectly invested outside India, any funds of holders of policies issued in India.

5. The Company has maintained the required solvency margin laid down by Insurance Regulatory and Development Authority of India.

6. The values of all the assets have been reviewed on the date of Balance Sheet and in management's belief, the assets set forth in the Balance Sheet are shown in the aggregate at amounts not exceeding their realizable or market value under the several headings presented - "Loans", "Investments", "Agents balances", "Outstanding Premiums", "Interest, Dividends and Rents outstanding", "Interest, Dividends and Rents accruing but not due", "Amounts due from other persons or Bodies carrying on insurance business", " Advances", "Cash" and the several items specified under "Other Accounts".

7. During the financial year 2024-25, ManipalCigna Health Insurance Company Ltd (the Company) has made progress in Risk Management. Apparently, there is an indication of a change in disease mix in terms of Health Insurance Claims submitted by the customers. The Company has shown resilience and has emerged stronger in the process. There are sound risk mitigation practices in place to ensure that the interests of all the stakeholders are safeguarded.

   The Company has been following an integrated Governance, Risk & Compliance (GRC) framework as one co-ordinated model and it has helped the Company in reducing wastage, increase efficiency, reduce non-compliance, strengthen risk management framework and share information more effectively. By adopting GRC framework, the Company has been proactive in its approach so far to mitigate risks, managing well informed decisions and ensuring business continuity.

   The overall Risk is monitored by Risk Management Committee of the Board and managed by the Chief Compliance and Risk Officer since both Compliance and Risk management functions are closely aligned with each other and there is no potential conflict of interest between the two profiles. They fall under the same line of defense. A Risk Management update is shared with the Committee every quarter to ensure that the Company performance is accomplished and monitored in line with its governance framework.

The Company has a "Three layers of Defense" structure comprising of;

- Head of Departments (HOD) of respective functions
- Risk Management and Compliance
- Internal Audit

Together, these three layers in their respective capacities provide a robust mechanism for risk mitigation.

The Company has a well-differentiated structure to have a focused approach on Enterprise Risk Management, Operational Risk Management, Information and Cyber Security, Fraud Mitigation and Business Continuity.

At an Enterprise level, The Company monitors and maintains a repository of top risks on regular basis and tracks the movement of these risks on a quarterly basis. A Board approved Risk Management policy is in place which acts as a guiding force while carrying out related activities. In the post-pandemic situation, The Company has been closely monitoring the emerging health risks. The company has been taking mitigating steps keeping in mind the interest of all stakeholders. The Company has ensured seamless movement for both Work-from-Home and Return-to-Work with no interruption. A hybrid model is in place and has been working well.

With an objective to have risk mitigation in place at a Departmental level, The Company has compiled a repository of risks and controls in the form of Risk Control Self-Assessment (RCSA). A process of periodic review of such risks and control testing has been put in place.

The Company also has a mechanism in place to monitor Operational Losses / Near Miss events at a Departmental level. Such events are reported and tracked on a regular basis with a clear focus to avoid repeat instances of similar nature.

The Company has a robust Information Security system in place to ensure the confidentiality, integrity and availability of personal and health information of the customer. During the year, The Company has no instances of any cyber-attack. A strong information security framework and Policy is in place which is in line with the industry standards and is also approved by the Board. The Company has been undertaking Information Security awareness activities throughout the year. Activities like Phish-me, regular educational e-mailers, trainings are also undertaken during the year.

The Company has ZERO tolerance for any malpractices and frauds. However, if there are any frauds which come to light; a strong governance framework is in place to deal with such instances. There is an Ethics Committee to look into employee matters and Whistle blower complaints. There is also a Market Conduct Committee for Intermediary / market conduct related matters. This helps in focused reviews.

During the year, The Company had adopted multi-product and multi-distribution strategy coupled with price revision of flagship products, which enabled The Company in its growth journey. Living by the philosophy of customer centricity, The Company had led various product innovations and digital enhancements to provide better customer experience

The Company also has in place a Board approved Business Continuity Policy and a Plan, the same is being diligently followed. The Plan is also reviewed on a periodic basis.

Overall, it has been an eventful year with notable achievements to maintain business continuity and achieve sustainable business growth calibrated to Risk, Cost and Quality based on multi-product and multi-distribution strategy.

8. The Company does not have insurance operations in any other country.

9. During the current year the company has received intimation for claims and settled claims amounting to INR 1,23,211 lakhs (net of reinsurance and excluding TPA fees and Claim investigation fees). We have audited the accompanying Financial Statements of **ManipalCigna Health Insurance Company Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2025, the related Revenue Account (also called the "Policyholders' Account", or the "Technical Account"), the Profit and Loss Account (also called the "Shareholders' Account", or "Non-Technical Account"), and the Receipts and Payments Account each for the year ended March 31, 2025 and summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Insurance Act, 1938, as amended by Insurance Laws (Amendment) Act, 2015 (the "Insurance Act"), the Insurance Regulatory and Development Authority Act, 1999 (the "IRDA Act"), Insurance Regulatory and Development Authority (Actuarial, Finance and Investment Functions of Insurers) Regulations, 2024 ("the Regulations"), Companies Act, 2013 ("the Act") to the extent applicable and in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, as applicable to Insurance Companies:

(a) in the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2025;

(b) in the case of the Revenue Account, of the Operating Loss for the year ended on that date;

(c) in the case of the Profit and Loss Account, of the loss for the year ended on that date; and

(d) in the case of the Receipts and Payments Account, of the receipts and payments for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report.

We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Insurance Act, 1938, the IRDA Act and the Regulations thereunder, the Act and the Rules thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matter

Key Audit Matter	How the matter was addressed in our audit
1) Claims Settlement Claims are a significant expense for the Company Provisioning of Outstanding Claims including Claims Incurred but Not Reported (IBNR) and Incurred but Not Enough Reported (IBNER) are significant in magnitude and requires use of judgements and estimates With regards to the claims provision, the Company makes a provision for claims upon intimation, on receipt of documents, communication from co-insurer leader in cases of incoming co-insurance business etc. The estimates undergo a revision based on further information and the settlement amount could vary from the provision created The estimate of the claim involves a high degree of judgement	Our audit procedures included the following: We tested the design and operating effectiveness of controls around the due and intimated claims recording process. Also assessed and tested the operating effectiveness of key controls relating to the claims handling process, including controls over completeness and accuracy of the claim outstanding recorded Tested on a sample basis, claims paid and provision created with payment proof, claim intimation documents and communication from co-insurer leader in cases of incoming co-insurance business, which are material to assess whether claims are appropriately paid, estimated and recorded Performed analytical review procedures on the outstanding claims and claims paid Tested the arithmetical accuracy of computation of claims provision performed by the Company The actuarial valuation of liability in respect of Claims Incurred but Not Reported (IBNR) and those Incurred but Not Enough Reported (IBNER) is as certified by the Company's Appointed Actuary and we have relied upon on the appointed actuary's certificate in this regard.
2) IT Systems and controls The Company's financial accounting and reporting systems are highly dependent on the effective working of the operating and accounting system/s due to extensive volumes, variety and complexity of transactions. The company has separate software applications for management of its various activities. Transfer of data from / to these software is critical for accurate compilation of financial information.	We have carried out the following procedures to verify the effectiveness of IT controls: We obtained an understanding of the Company's IT related controls, IT applications and databases and key changes if any during the audit period that may be relevant to the financial reporting ~~audit~~. Our audit procedures included testing and reviewing the design and operating effectiveness of the key automated and manual business cycle controls and logic for system generated reports

	We have identified 'IT systems and controls' as key audit matter because of significant use of IT system and the scale and complexity of the IT architecture. Our audit outcome is dependent on the effective functioning of such operating and accounting system.	relevant to the audit by verifying the reports and other financial and non-financial information generated from the system on a test check basis. We have reviewed the reconciliations between the core operating systems and the accounting software to mitigate the risk of incorrect data flow to/from separate application software. Reviewed the Information System Audit Reports and Key audit findings of Internal Audit to assess the impact of observations and management's response if any on financial reporting. We have also obtained management representations wherever considered necessary.
3)	**Contingencies relating to matters pertaining to disputes in respect of Claims, Direct and Indirect taxation.** Total contingent liabilities as at March 31, 2025, is 1,998.46 Lakh (Note No. 3.1 and 3.15 of Schedule 16 to financial statements). The Company has received various demands and show cause notices (mostly industry specific) from the tax authorities and is also in litigation at various forums with policyholder/s in respect of Claims under Insurance policies not acknowledged as debts. We have considered this as a key audit matter because the Company has material uncertain tax positions including matters under dispute which involves significant amount	Our procedures included the following: Testing the design and operating effectiveness of the Company's key controls over the estimation, monitoring and disclosure of provisions and contingent liabilities Obtaining an understanding of internal controls in relation to creation of provisions and Contingent liabilities in respect of the major litigations before various judicial forums including Indirect Taxes, various claims filed by other parties not acknowledged as debts relevant to audit in order to design our audit procedures that are appropriate in the circumstances. Understanding the current status of the litigations in respect of each matter for different years; Examining recent orders/ communications received from various authorities/ judicial forums, judicial pronouncements and follow up action thereon; Evaluating the merit of the issues and subject matter under consideration with reference to the grounds presented therein and available independent legal/ tax advice including opinion of our internal legal/tax experts; Review and analysis of evaluation of the contentions of the Company through discussions, collections of details of the subject matter under consideration, the likely outcome and consequent potential outflows on those issues; and

	Verification of disclosures related to significant litigations and indirect taxation matters.

Other Matter

The actuarial valuation of liabilities in respect of claims Incurred But Not Reported (IBNR), including claims Incurred But Not Enough Reported (IBNER) and provisioning for Premium Deficiency and Free Look Reserve, Healthy Reward Points (HRP) Reserve and Health Maintenance Benefit (HMB) Reserve as at March 31, 2025 is the responsibility of the Company's Appointed Actuary ("Actuary") and has been duly certified by the Actuary. The Actuary has also certified that in his opinion, the assumptions for such valuation are in accordance with the guidelines and norms, if any, issued by the IRDAI and the Actuarial Society of India in concurrence with the Authority. Accordingly, we have relied upon the Actuary's certificate in this regard for forming our opinion on the financial statements of the Company.

Our opinion is not modified in this regard

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report, Corporate Governance Report but does not include the financial statements and our auditors' report thereon. The Other Information is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Other Information, if we conclude that there is a material misstatement therein, we are required to communicate the matters to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Financial Statements to give a true and fair view of the financial position, financial performance and Receipts and Payments of the Company in accordance with the requirements of the Insurance Act read with IRDA, Regulations / orders / directions / circulars / guidelines issued by the Authority in this regard and in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act read with the Companies (Accounting Standards) (Amendment) Rules, 2021 to the extent applicable and in the manner so required.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.

- Obtain an understanding of internal controls relevant to the audit to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to the financial statements, in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Regulations, we have issued a separate certificate dated May 7, 2025, as **"Annexure A"**, certifying the matters specified in paragraphs 3 and 4 of Schedule C to these Regulations.

2. As required by paragraph 2 of schedule C to the IRDA Financial Statement Regulation and Section 143(3) of the Act, we report that:

   (a) We have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit;

   (b) In our opinion and to the best of our information and according to the explanations given to us, proper books of account as required by law have been maintained by the Company, so far as it appears from our examination of those books;

Annexure – B

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

(Referred to in paragraph 2(i) of our Report on Other Legal and Regulatory Requirements forming part of the Independent Auditors' Report of even date)

We have audited the internal financial controls over financial reporting **of ManipalCigna Health Insurance Company Limited** ("the Company") *(formerly known as "CignaTTK Health Insurance Company")* as of March 31, 2025, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls, based on the internal control over financial reporting criteria established by the Company, considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting, issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting, based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Financial Statements included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to Financial Statements.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes, in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
(2) provide reasonable assurance that transactions are recorded, as necessary, to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and
(3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on "the internal control over financial reporting criteria established by the Company, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting, issued by the ICAI".

Other Matter

The actuarial valuation of liabilities in respect of claims Incurred But Not Reported (IBNR), including claims Incurred But Not Enough Reported (IBNER), Free Look Reserve and provisioning for Premium Deficiency and as at March 31, 2025 is the responsibility of the Company's Appointed Actuary ("Actuary") and has been duly certified by the Actuary, as mentioned in "Other Matter" paragraph of our audit report on the financial statements of the Company as at and for the year ended

March 31, 2025. In view of this, we did not perform any procedures relating to internal financial controls with reference to financial statements in respect of the valuation and accuracy of the actuarial valuation of estimate of claims IBNR and claims IBNER.

16 - Significant accounting policies and Notes to Financial Statements

1. Background

ManipalCigna Health Insurance Company Limited (erstwhile known as CignaTTK Health Insurance Company Limited) was incorporated on 12th March 2012, as a company under The Companies Act, 1956. The Company received the license to commence business from the Insurance Regulatory and Development Authority of India (IRDAI) on 13th November 2013, to transact and underwrite health Insurance business under the miscellaneous segment in India.

The Company is a joint venture between Manipal Education and Medical Group India Private Limited (7.52%), MEMG Fund Advisors LLP (43.44%), and Cigna Holdings Overseas, Inc. (48.96%) and Others (0.08%).

2. Significant Accounting Policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared and presented under the historical cost convention, unless otherwise specifically stated, on the accrual basis of accounting, in accordance with accounting principles generally accepted in India (Indian GAAP) and comply with the applicable accounting standards referred to in section 133 of the Companies Act, 2013, and in accordance with the provisions of the Insurance Act, 1938, Insurance Laws (Amendment) Act, 2015 (to the extent notified), Insurance Regulatory and Development Authority Act, 1999, the Insurance Regulatory and Development Authority of India (Actuarial, Finance and Investment Functions of Insurers), 2024 ('the Regulations') and orders / directions prescribed by the IRDAI in this behalf, the provisions of the Companies Act, 2013 (to the extent applicable), in the manner so required and current practices prevailing within the insurance industry in India. Accounting policies applied have been consistent with the previous year, except where differential treatment is required as per new pronouncements made by the regulatory authorities.

2.2 Use of Estimates

The preparation of financial statements in conformity with the generally accepted accounting principles (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, revenue and expenses and disclosure of contingent liabilities in the financial Statements. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as on the date of the financial statements. Actual results may differ from the estimates and assumptions used in preparing the accompanying financial statements. Differences between actual and estimates are recognised in the year in which the actual materialises or are known. Any revision to accounting estimates is recognised prospectively in the year in which such revision is made.

2.3 Revenue recognition

(i) Premium

Premium (net of goods and service tax) is recognised as income over the contract period or the period of risk, whichever is appropriate, on a gross basis. Any subsequent revisions to or cancellations of premiums are recognised in the year in which they occur.
In accordance with IRDAI master circular on Actuarial, Finance and Investment Functions of Insurers, from 1st October 2024, Premium for a Long-Term policy if collected at the time of sale of the policy, for the entire Policy Duration or for any duration exceeding 12 months, shall be recognized on a yearly basis i.e. Gross Written Premium reported for any financial year shall be the total Gross Written Premium due for the Long-Term Policy multiplied by '1/n', where 'n' is the Policy Duration.
This has resulted in a decrease in gross written premium by Rs.11,648 lakhs and net decrease in commission by Rs. 3,947 lakhs, and related effect in operating profit/loss for the quarter and period ended March 31, 2025.

(ii) Interest / dividend income

Interest income is recognised on accrual basis and dividend income is recognised when the right to receive the dividend is established.

(iii) Premium / discount on purchase of investments

Premium or discount on acquisition, as the case may be, in respect of Debt securities, is amortized /accreted on yield to maturity (YTM) basis over the period of maturity / holding.

(iv) Profit / loss on sale of securities.

Profit or loss on sale / redemption of securities is recognised on trade date basis and includes effects of accumulated fair value changes, previously recognised and debited / credited to Fair Value Change, for specific investments sold / redeemed during the year.

(v) Commission on Reinsurance Ceded

Commission received on reinsurance ceded is recognised as income in the year in which reinsurance premium is ceded. Profit commission under reinsurance treaties recognised in the year of determination of the profits as per the terms of the treaties.

2.4 Reinsurance Ceded

Premium ceded on reinsurance is recognised as and when incurred and due and in accordance with the Reinsurance treaties with the Reinsurer. Any subsequent revision to, refunds or cancellations of premiums are recognized in the year in which they occur.

Re-Insurance acceptance

The results of a reinsurance accepted are accounted as per the recent statement of accounts or confirmation received from reinsurers.

2.5 Acquisition costs

Acquisition costs, defined as costs that vary with, and are primarily related to, the acquisition of insurance contracts viz., commission, rewards and recognition, policy issue expenses etc., are expensed in the year in which they are incurred.

2.6 Reserve for unexpired risk

Represents that part of the net premium (i.e., premium, net of reinsurance ceded) which is attributable to, and set aside for subsequent risks to be borne by the Company under contractual obligations on contract period basis or risk period basis. Effective financial year 2016-17, such reserves are recognised at 50% of Net Written Premium of preceding 12 months basis.

2.7 Premium deficiency

Premium deficiency is recognised for the Company as a whole on an annual basis. Premium deficiency is recognised if the sum of the expected claim costs, related expenses and maintenance cost (related to claims handling) exceeds related reserve for unexpired risk. The expected claim costs are calculated and duly certified by the Appointed Actuary.

2.8 Claims

Claims incurred comprises of claims paid (net of recoveries), change in estimated liability for outstanding claims made following a loss occurrence reported, change in estimated liability for claims incurred but not reported ('IBNR') and claims incurred but not enough reported ('IBNER'). Further, claims incurred also include claim related and specific claim settlement costs.

2.9 Claims Incurred but not reported (IBNR) and claims incurred but not enough reported (IBNER)

IBNR represents that amount of all claims that may have been incurred prior to the end of the current accounting period but have not been reported or claimed. The IBNR provision also includes provision, if any, required for claims incurred but not enough reported (IBNER). The said liability is determined based on actuarial principles by the Appointed Actuary. The methodology and assumptions on the basis of which the liability has been determined has also been certified by the Actuary to be appropriate, in accordance with guidelines and norms issued by the Institute of Actuaries of India in concurrence with the IRDAI and, accordingly, the liability determined is certified as adequate by the Appointed Actuary.

2.10 Property Plant and Equipment and Depreciation / Amortization

(i) Tangible assets

Tangible assets are stated at cost less accumulated depreciation. Depreciation is provided on the straight-line method, on pro-rata basis from the month in which the asset is ready for use, in accordance with the provisions of Schedule II of the Companies Act, 2013. All assets individually costing up to Rs. 20,000 are fully depreciated / amortized in the year in which they are acquired.
Assets not ready for their intended use and other capital work-in-progress are carried at cost, comprising direct cost and related incidental expenses.

(ii) Intangible assets

Intangible assets comprising software are stated at cost less amortization. Significant expenditure on improvements to software are capitalized when it is probable that such expenditure will enable the asset to generate future economic benefits. Significant improvements to software are capitalized and amortized over the remaining useful life of such improvements made. All assets individually costing up to Rs. 20,000 are fully depreciated / amortized in the year in which they are acquired. Assets not ready for their intended use and other capital work-in-progress are carried at cost, comprising direct cost and related incidental expenses.

(iii) Depreciation

Asset Class	**Estimated Useful Life**	**Useful Life as per Companies Act,2013**
Information Technology Equipment – Servers and Network	6 years	6 years
Information Technology Equipment – End-user devices	3 years	3 years
Computer Software	3 years	3 years
Office Equipment	5 years	5 years
Furniture and Fixtures*	5 years	10 years

The Estimated useful life of leasehold Improvements is 5 Years or remaining lease period which is shorter.
* In respect of furniture & fixtures life of the asset has been assessed as five years, considering the nature of the asset, the estimated usage, operating conditions of the asset and past replacement history.

2.11 Investments

Investments are recorded on trade date at cost. Cost includes brokerage, transaction taxes as applicable, etc. and excludes pre-acquisition interest, if any.

(i) Classification:

Investments maturing within twelve months from the balance sheet date and investments made with the specific intention to dispose of within twelve months from the balance sheet date, are classified as short-term investments. Investments other than short term investments are classified as long-term investments.

(ii) Valuation:

Debt Securities

All debt securities are considered as 'held to maturity' and, accordingly, stated at historical cost and are adjusted for amortization of premium or accretion of discount on yield to maturity (YTM) basis in the revenue accounts and profit and loss account over the period held to maturity / holding. The realized gain or loss on the securities is the difference between the sale consideration and the amortized cost in the books of the Company as on the date of sale.

Mutual Funds

All mutual fund investments are valued at net asset value as at the Balance Sheet date. In accordance with the Regulations, any unrealised gains / losses arising due to change in fair value of mutual fund investments are accounted in "Fair Value Change Account".

The investments have been segregated into Policyholder's and Shareholder's fund at the security level, as per the IRDAI circular no. IRDAI/F&A/CIR/056/03/2016 dated April 4, 2016 and, accordingly, investment income has also stands segregated between Policyholder's and Shareholder's fund.

Unlisted Equity Securities
Unlisted equity securities are stated at cost.

Investment Impairment Policy

The Company assesses whether any diminution other than temporary has occurred on its investments in debt securities or units of mutual fund, at each Balance Sheet date. If any such indication exists, then carrying value of such investment is reduced to its recoverable amount/market value on the Balance Sheet date and the impairment loss is recognised in the Profit and Loss Account. If at the Balance Sheet date there is any indication that a previously assessed impairment loss no longer exists then impairment loss, earlier recognised in Profit and loss Account, is reversed in Profit and loss account and the investment is restated to that extent.

2.12 Employee Retirement Benefits

Short term employee benefits

All employee benefits payable within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries, bonuses, short term compensated absences and other non-monetary benefits are recognised in the year in which the employee renders the related service.

Long term employee benefits

a) **Defined Contribution Plans:**

Provident Fund

Provident Fund is a defined contribution scheme and contributions payable by the Company to the Regional Provident Fund Authority are provided on the basis of prescribed percentage of salary and are expensed in the year when the contributions are made.

b) **Defined Benefit Plans:**

Gratuity

Gratuity benefit, a defined benefit scheme, is provided on the basis of actuarial valuation, including actuarial gains / losses at the balance sheet date and the incremental liability for the year is charged as an expense.

c) **Other Long Term Employee Benefits**

Compensated Absences

Compensated absences are provided for based on actuarial valuation including actuarial gains / losses at balance sheet date and are charged as expense in the relevant period of valuation.

d) **Employee Stock Option Plan (ESOP)**

The Company follows the intrinsic method for computing the compensation cost, for options granted under the Plan in accordance with the Accounting Standard and Guidance note issued ICAI. The difference if any, between the fair value of the share and the grant price, being the compensation cost is amortised over the vesting period of the options.

2.13 Leases

Lease arrangements, wherein the risks and rewards incidental to ownership of an asset substantially vest with the lessor, are recognised as operating leases. Lease Rent under operating leases is recognised in the revenue account or profit and loss account, as appropriate on a straight-line basis, over the period of the lease.

2.14 Foreign Currency Transactions

Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of the transaction. Foreign exchange denominated monetary assets and liabilities are restated at the rates prevalent at the date of the balance sheet. Exchange difference either on settlement or on translation is recognised in the Revenue Accounts or Profit and Loss Account, as applicable.

2.15 Income Taxes

Tax expense comprises current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the provisions of the Income Tax Act, 1961. Deferred income taxes reflect the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted as at the Balance Sheet date. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. If the Company has unabsorbed depreciation or carry forward tax losses, deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that such deferred tax assets can be realized against future taxable profits. At each Balance Sheet date, the Company re-assesses unrecognised deferred tax assets. It recognizes unrecognised deferred tax assets to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realised.

2.16 Impairment of assets

The carrying values of assets forming part of any cash generating units at Balance Sheet date are reviewed for impairment at each balance sheet date. If any indication for such impairment exists, the recoverable amounts of those assets are estimated and impairment loss is recognised, if the carrying amount of those assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the estimated future cash flows to their present value based on appropriate discount factor. If at the Balance Sheet date there is any indication that a previously assessed impairment loss no longer exists, then such loss is reversed, and the asset is restated to that extent.

2.17 Goods and Services Tax

Goods and Services Tax (GST) collected is considered as a liability against which GST paid for eligible input services, to the extent claimable, is adjusted and the net liability is remitted to the appropriate authority as stipulated. Unutilized credits, if any, are carried forward under “Advances and other Assets” in Schedule 12, for adjustment in subsequent years.

2.18 Provisions and Contingencies

A provision is recognised when an enterprise has a present obligation as a result of a past event; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on best estimates required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.
A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made. Contingent assets are not recognised or disclosed in the balance sheet.

2.19 Earnings per share

The basic earnings per share is computed by dividing the net profit / loss in the Profit and Loss Account attributable to the equity shareholders, by the weighted average number of equity shares outstanding during the reporting year. The number of shares used in computing diluted EPS comprises of weighted average number of shares considered for deriving basic EPS and also the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations.

2.20 Segment Reporting

In the case of Health Insurance business, based on the primary segments identified under the Insurance Regulatory and Development Authority (Actuarial, Finance and Investment Functions of Insurers) Regulations, 2024, read with AS 17 on “Segment Reporting” issued by Institute of Chartered Accountants of India, the Company has classified and disclosed segment information for Health Insurance and Personal Accident Insurance.

There are no reportable geographical segments since all business is written in India.

The allocation of revenue and expenses to specific segments is done in the following manner, which is applied on a consistent basis.

Income and expenses which are directly identifiable to the business segments are allocated on actuals.

Income and expenditure (including depreciation) which are not directly identifiable to the business segments are apportioned on either of the following, as may be appropriate:

- Gross written premium; and
- Number of policies
- Commission

The method of apportionment is decided by the management, based on the nature of the expenses and their logical correlation with various business segments, wherever possible.

2.21 Receipts and Payments Account

a) Receipts and Payments Account is prepared and reported using the Direct Method, in conformity with para 2) a) i) of the Master Circular on Actuarial, Finance and Investment Functions of Insurers dated May 17, 2024, issued by the IRDAI.

b) **Cash (including cheques, drafts and stamps)**

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

2.22 Unclaimed amount of policyholders

Assets held for unclaimed amount of policyholders is created and maintained in accordance with the requirement of IRDAI Master Circular on "Unclaimed Amounts of Policyholders" dated July 25, 2017, as amended from time to time, and IRDAI (Actuarial, Finance and Investment Functions of Insurers) Regulation, 2024 as amended from time to time:

Unclaimed amount of policyholders is invested in money market instruments and / or fixed deposits of scheduled banks which is valued at historical cost or market value whichever is lower.

Income on unclaimed amount of policyholders (net of fund management charges) is credited to the respective unclaimed account and is accounted for on an accrual basis.

2.23 Share & Subordinated Debt issue expenses

The share and Subordinated Debt issue expenses shall be written off to the Profit and Loss Account in the same financial year in which they are incurred.

Appeals against these orders are filed / in the process of filing before the appropriate Authorities. The management believes that the ultimate outcome of these proceedings will not have any material adverse effect on the Company's financial position and results of its operations and does not expect any disbursement on account of zero tax demand. With respect to penalty proceedings, it is not practicable to estimate the timing of cash outflows, if any, in respect of these matters, pending resolution of the judicial / appellant proceedings.

3.16 Leases

The Company's operating leasing arrangements are for office and other related amenities. In respect of premises taken on operating lease, the agreements are generally mutually renewable or cancellable by the lessor/lessee.

An amount of Rs. 1189 lakhs (previous year: Rs.998 lakhs) towards said lease payments has been recognized in the statement of revenue account.

The details of future rentals under non-cancellable operating Leases are as under:

3.22 Expenses of Management (EOM)

The Company has allocated expenses of management as per the policy approved by the Board of Directors. Expenses such as Commission payable to Agents, Brokerage, etc. which are based on premium procurement for different segments are directly allocated to each segment on actual incurred basis. All Other Operating expenses which cannot be directly attributed and allocated to any segment are apportioned on the basis of Gross Premium written for each segment.

In respect of FY 23-24, the Regulator has granted forbearance as regards to compliance with EOM regulation and advised to reduce EOM level to 38% in FY 24-25 and asked to submit quarterly EOM ratio for FY 25-26 and other compliances.

3.23 Deferred Taxes

In accordance with paragraph 18 of AS 22 Accounting for Taxes, stipulates that, in the case of unabsorbed depreciation or carry forward of losses under tax laws, an enterprise recognizes deferred tax assets to the extent that it has timing differences, the reversal of which will result in sufficient income, i.e. to the extent of deferred tax liability, without considering any other evidence regarding future taxable income. In conformity with the said paragraph, the Company has recognized NIL deferred tax asset & liability in the books. Deferred tax asset & liability represents timing difference on account of Fixed Assets, employee benefits and carry forward business losses as per the above guidance.

In accordance with the IRDAI (Registration, Capital Structure, Transfer of Shares and Amalgamation of Insurers) Regulations, 2024, the Company has issued fully paid up Non-Convertible Debts (NCDs) that are unsecured, subordinated, rated, listed and redeemable after 10 years at an interest rate of 9% payable annually. These NCD's are privately placed on Bombay Stock Exchange of India Limited.
* The Company has paid interest on Sub-debt post receipt of regulatory approval on 23rd April 25.
Since there are accumulated losses, no corresponding redemption reserve has been created.

3.29 Employee Stock Option Plan (ESOP)

The Company had instituted an Employee Stock Option scheme ("ESOP 2019" & "ESOP 2021") to enable employees of the company to participate in future growth. The eligible employees are granted options to acquire equity shares of the company.

The scheme allowed a vesting of over a period of 4 years from the date of grant; however, as the original conditions of vesting were not satisfied the vesting period has been extended further for 2 years. The options will be exercisable over a period of 3 years from the respective dates of vesting. During the year 15,68,831 options were lapsed/forfeited.

During the year, the Company has introduced Employee Stock Option Plan 2023 "ESOP 2023", the scheme provides that eligible employees are granted options to acquire equity shares of the Company that vest in graded manner.

The Company has adopted intrinsic value method for computing the compensation cost for the option granted. Since the exercise price is not less than the intrinsic value of shares on the date of grant, value of option is Nil and accordingly no compensation cost is recognized in the books. The fair value of options has been estimated using Black-Scholes model.

Had the company followed the fair value method for valuing its options for the period ended, the charge to the Revenue accounts and Profit and Loss account would have been higher by Rs. 238 lakhs (Previous period Rs. 311 lakhs) and losses after tax would have been increased by Rs. 238 lakhs (Previous period Rs.311 lakhs).

During the FY-24-25, eligible employees have exercised stock options of 2,00,000 equity shares at an exercise price of Rs 10 per option under ESOP 2019 (options).

Consequently, the Company's basic and diluted earnings per share would have been Rs. (1.16) and Rs. (1.18) respectively.

Movement in the options under ESOP Scheme

Particulars	As at March 2025	As at March 2024
